Be Prepared

- Our Evil Queen can be very scary and our characters will act frightened when they see her.
- The Queen can be very mean and give insults to the audience and other characters, people will BOO her when on stage, feel free to join in.
- Some of our characters like to make jokes about each other but they are all friends and don't take anything to heart.
- As part of the Queen's plot to get rid of Snow White she dresses up in a costume but don't worry our characters are smarter than she is.
- The show contains moving lights, but no strobe lights, loud bangs or pyrotechnics.
- Water Pistols maybe use in the show, don't worry they will not directly spray water into the audience.
